

NOTICE OF JOB OPPORTUNITY

An application concerning the employment of one or more alien workers for the following permanent position will be filed with the Department of Labor. This notice will be posted for 10 consecutive business days, ending between 30 and 180 days before filing the permanent labor certification application:

EMPLOYER: Michigan State University

POSITION TITLE: Assistant Professor

HOURS / WEEK: 40

RATE OF PAY: \$90,500.00 / year

JOB SITE LOCATION: 474 S Shaw Ln, East Lansing, MI 48824

DUTIES: A fulltime, 9-month tenure track. Assistant Professor with a 60%research, 35% teaching and 5% service assignment. Will develop a robust, collaborative, federally funded research program that focuses on nutritional influences on gastrointestinal health of pigs and other animals. Advising graduate students, publishing in higher peer reviewed journals, and collaborating to achieve intentional societal impacts is expected. Has academic training and expertise in the nutrition of swine and companion animals, as well as practical knowledge as related to production and growth. They must be able to effectively instruct and provide a high-quality instructional experience for undergraduate and graduate students in the department. Annually, they will teach ANS 413 Non-Ruminant Nutrition (4 credits) and another 3credit course which may focus upon comparative nutrition, metabolism, and health.

EDUCATION REQUIREMENTS: Doctorate Degree or foreign academic equivalent in Animal Science, Animal Biology, or related degree field.

EXPERIENCE REQUIREMENTS: One (1) year of experience as a Post-Doctoral Scientist, Research Associate, or in a related occupation. Experience must include: Publishing peer-reviewed articles in the field pig nutrition and health. Postdoctoral experience in Animal Science or related field. Experience with on-line learning management systems as well as assessment of student learning outcomes. Experience of teaching non-ruminant nutrition courses at the university level. Experience in nutrition and gastrointestinal health academic research. Experience publishing peer-reviewed articles in research journals with nationally competitive and sustainable funding.

OTHER: N/A

If offered employment must have legal right to work in U.S.

CONTACT: Any applicant who is interested in this position should apply to job reference number 998314 at <https://careers.msu.edu/>.

This notice is being filed as a result of the filing of an application for permanent alien labor certification. Any person may provide documentary evidence bearing on the application to the regional certifying officer of the U.S. Department of Labor.
