4-H "TO MAKE THE BEST BETTER!"

BARRY COUNTY 4-H DAIRY FEEDER CALF SALE

JULY 14- 18, 2025

SILENT AUCTION!

Barry County Fair

Barry Expo Center

1350 N M-37 Hwy

Hastings, MI 49058

The purpose of our dairy feeder program is to teach 4-H members in the dairy project area how to utilize the male offspring in the dairy industry.

This project also offers younger 4-H members who may not be ready for a larger project a way to get started on a smaller scale. Through this project 4-H members learn animal science, recordkeeping, responsibility, entrepreneurship, management, communication and team work.

Our dairy feeder calves will be offered for silent auction July 15-19 at the Barry County Fair. The calves will weigh from 300-550 pounds and are sold in lots according to their weight. The lots will be determined following weigh-in at the beginning of fair week. Calves are all back grounded, vaccinated, dehorned, castrated and ready for the feed lot.
