## *We Can Ride 4-H Club Sponsorship Opportunities*

# What is the We Can Ride 4-H Club?

**We Can Ride 4-H Club** started in 1979 and was the first NARHA (North American Riding for the Handicapped Association) certified 4-H therapeutic riding club in Michigan. It is a part of the Michigan State University Proud Equestrian Program. Instructors are both 4-H and PATH Professional Association of Therapeutic Horsemanship International; formerly NARHA) certified to ensure their capabilities. Our program is also unique in that we provide stable management and showmanship in addition to horseback riding.

Stable Management is the anatomy, care and grooming of the horse while showmanship teaches the art of safely leading and showing a horse from the ground. Both contribute vital knowledge and understanding of our equine counterparts.

Currently, the club works with youth in Berrien and Cass counties through educational horse related activities. The club serves around 20 youth participants each year with the help of 50—75 volunteers. The **We Can Ride 4-H Club** is primarily a volunteer-run program and the majority of the horses used are volunteered by their owners as well. The club operates from March to August of each year.

**We Can Ride 4-H Club** operates predominately on the generous donations from local community members, businesses and corporate organizations.
