Approved	<p>5a. Livestock Industries - Program change</p> <p>#15 program description * Requirement #1. The credit total <u>without</u> AT-293 is 24, so to reach 28 credits, 4 credits of Professional internship are required. Because 28 credits is <u>specified</u> for #1, suggest that you eliminate the variable credits for AT 293 and replace with “4”. Any additional credits in AT293 could count as electives (See below)</p> <p>* For clarity, the last item “Complete 11-12 credits in the college as approved by the program coordinator...” could be numbered as “#4”. It is the 4th requirement to reach the 48 credits needed in the degree.</p>
