Complete and submit this form for review/approval BEFORE you complete/submit your program plan in Campus Solutions/ GradPlan. You do NOT need to identify courses in CS/GradPlan by category because they are not fully consistent with CSUS categories, and do not allow double-counting (e.g., for specializations). That is why we use this form – to review for meeting program requirements & checking CS/GP submission. Only student and advisor are required to sign before submitting.
