

SECTION 10

# What Foods Were Served: Vegetables

10 Cents a Meal for Michigan’s Kids and Farms (10 Cents), administered by the Michigan Department of Education, matches what participating schools, districts, and early care and education centers spend on Michigan-grown fruits, vegetables, and dry beans with grants of up to 10 cents per meal.

This brief is part of *10 Cents a Meal 2020–2021 Evaluation Results: Expanded Eligibility Increased Impacts*.

The chart below shows the percentage of 10 Cents a Meal for Michigan’s Kids and Farms (10 Cents) grantees who served Michigan-grown vegetables in 2020–2021 by product type. Vegetables were standardized into product types (e.g., yellow squash were categorized as summer squash).

Figure 10.1 continued. Percentage of 10 Cents Grantees Serving Michigan-Grown Vegetables

Evaluation of 10 Cents is led by the Michigan State University Center for Regional Food Systems (CRFS). The work presented here is part of *10 Cents a Meal 2020–2021 Evaluation Results: Expanded Eligibility Increased Impacts* by Colleen Matts and Megan McManus of CRFS and was generously funded by the W.K. Kellogg Foundation and 10 Cents administrative funds for partner organizations.
