4-H Thriving Model of Positive Youth Development

Why 4-H? This is a question asked many times of our youth and adults. What made you want to get involved and what keeps you coming back?

This is the SPARK of 4-H and serves as one of the four developmental context areas of the Thriving Model of Positive Youth Development. We strive to reach our members where they are and help them grow through the 4-H program.

To do this, we need to know what your spark is...

- Is there a specific project that brought you here?
- Is there a project you would like to see us add?
- Did you show up because you had friends in the program?

Reach out to your local 4-H staff to share your ideas.
