STATEWIDE 4-H NEWS

Join the Michigan State Fair 4-H & Youth Virtual Showcase!

MSU Extension is happy to partner again in 2022 with the Michigan State Fair for an exciting program for Michigan youth: the Michigan State Fair 4-H & Youth Virtual Showcase. This statewide showcase provides a virtual platform for Michigan 4-H'ers and other youth to exhibit their work in all project areas and apply for \$10,000 in scholarships. Michigan youth ages 5-19 are encouraged to participate.

Registration is now open until August 1! The diverse array of classes celebrate all the projects and programs in which youth have developed skill and mastery. This includes livestock and companion animal classes such as showmanship, breeding and market classes, as well as still exhibits, educational projects and more. There is no cost to participate, and youth may engage in as many classes as they wish by submitting project photos and videos. Project evaluation will occur before the start of the Michigan State Fair so that winners can be announced at the event which occurs September 1-5.

In addition to the opportunity to showcase their skills, recognize their accomplishments and receive constructive feedback for growth and development, participants in the Michigan State Fair 4-H & Youth Virtual Showcase will also have the opportunity to apply for \$10,000 in scholarships. Find the scholarship application and criteria, as well as registration information for the Michigan State Fair 4-H & Youth Virtual Showcase at extension.msu.edu/MSF4HShowcase.
