Are you a current Ingham County  
 4-H volunteer? Do you love  
 helping youth find their 'spark'?  
 Are you available Monday  
 afternoons from 11/7 - 12/19?

**Volunteer with our new Urban Program Coordinator, Rachel,  
 and bring the joy of Junk Drawer Robotics to Lansing students!**

In the Junk Drawer Robotics Special Interest 4-H club, youth ages 9-13 will be challenged to build robots from everyday items. Concepts that will be covered include robotic arms, locomotion, and the connection between mechanical and electronic elements. Big ideas include form and function, scientific habits of mind, and engineering design.

The club will meet in the front commons area in Pattengill Biotechnical Magnet from 2:45 pm – 3:45 pm on Mondays starting 11/7. Please reach out to Rachel at [ochylski@msu.edu](mailto:ochylski@msu.edu) or call (517) 676-7300 for more information.

Hello! My name is **Rachel**, and I am thrilled to introduce myself as your new Urban 4-H Program Coordinator! A little bit about me, I earned my bachelor's degree in biology from Central Michigan University and my Master's degree in integrated biosciences from Northern Michigan University. I am a Master Gardener, and I studied the effects of horticultural therapy at a Veteran's home for my master's thesis. After graduation, I enjoyed working with youth in after school programs and summer camps. From 2019-2021 I served as an AmeriCorps volunteer with Eaton County 4-H. I've spent the last year working as the 4-H Program Coordinator in Montcalm County, where I offered programs focused on photography, embryology, fishing/outdoor education, and healthy habits. I also supported 4-H members and volunteers as they planned a statewide goat show, dog agility practices, and interactive activities during fair week. I enjoy hiking, fishing, gardening, cooking, and training my dog (Wally) in my spare time. I look forward to getting to know you all this fall!
