Michigan Department of Agriculture Memorandum

<https://www.michigan.gov/mdard/animals/exhibitions/resources-for-exhibitions>

REVISED December 2022

(Replaces All Previous Editions)

The term “livestock” refers to those species of animals used for human food and fiber or to those species of animals used for service to humans. Thus, “livestock” includes (but is not limited to) cattle, sheep, New World camelids (llamas, alpacas, vicunas, and guanacos), goats, bison, privately-owned cervids, ratites (cassowaries, kiwis, rheas, ostriches, and emus), swine, equine, poultry, aquaculture, and rabbits. However, “livestock” does not include dogs and cats.

GENERAL REQUIREMENTS

Exhibitors at state, county, and district fairs (along with other livestock exhibitions, expositions, and shows) are required to comply with all the statutory and regulatory provisions of the State of Michigan relating to animal health outlined in the Animal Industry Act, 1988 PA 466, MCL 287.701-287.747. All references to “animals” below include, but are not limited to, animals exhibited by 4-H and other youth, open classes, petting zoos, rodeos, circus animals, racing pigs, pony rides, and exotic animals.

1. A person who suspects or confirms an animal is either affected by a reportable disease or contaminated with a toxic substance shall immediately report the case to the Michigan Department of Agriculture and Rural Development, Animal Industry Division (MDARD AID) by calling 800-292-3939 (daytime) or 517-373-0440 (after-hours).
2. Any animal with clinical signs of infectious, contagious, or toxicological disease, either at check-in or during the event, shall be removed from the fair, exhibition, exposition, or show. Alternatively, by permission of MDARD AID, the animal may be isolated on the premises. An accredited veterinarian’s knowledge and advice should be sought out by an exhibitor or exhibition staff to assess an animal for clinical signs of an infectious, contagious, or toxicological disease.
3. A fair, exhibition, exposition, or show authority shall have an accredited veterinarian on call whenever there are animals on the premises.
4. All cattle, bison, privately-owned cervids, goats, sheep, and imported camelids shall bear official identification before they leave their home premises. Swine require official identification prior to being exhibited.
5. All equids, except foals less than six months of age and nursing their dam, must have proof of a negative test to Equine Infectious Anemia (EIA), (Coggins Test), conducted within the previous 12 months. Return to the Table of Contents 5
6. It is the responsibility of exhibitors to ensure all test charts, official identification, and interstate certificates of veterinary inspection or other movement documents required by this act accompany their animal(s) and proof of fulfilling these requirements is provided to the director of the department (or his/her authorized representative) and/or fair, exhibition, exposition, or show authority upon request.
7. A fair, exhibition, exposition, or show authority shall do all of the following:
 - a. Notify exhibitors of the official identification, health tests, and certificates of veterinary inspection or other movement documents required for importation into and exhibition in this state.
 - b. Examine and approve required official identification, certificates of veterinary inspection or other movement documents, test charts, and other required documentation before displaying, exhibiting, or stabling the animals in the exhibition area or before commingling with other animals.
 - c. Provide shipping arrangements for all exhibited livestock moving directly from the event facility to a market for livestock auction, as that term is defined in 1937 PA 284, MCL 287.121 to 287.131.
 - d. Notify exhibitors whether poultry vaccinated against infectious laryngotracheitis are allowed in the fair, exhibition, or exposition.
8. A fair or exhibition may require additional testing or vaccination of animals before entry and during the fair, exhibition, exposition, or show.
9. Whenever an official test is conducted or an official vaccination is administered by an accredited veterinarian, livestock shall, unless exempted, be permanently identified in a manner approved by MDARD AID.
10. Unless otherwise approved or waived by the director, all the following apply to exhibition facilities:

- a. Facilities for exhibition of animals shall be constructed to allow sufficient separation of both exhibitor's animals and each species. Facilities shall be constructed of material that can be adequately cleaned and disinfected.
- b. Animal housing shall be constructed and placed to provide adequate light and ventilation appropriate for the animals being housed.
- c. An exhibition facility and its associated buildings shall be cleaned and disinfected with a State Veterinarian-approved disinfectant and used in accordance with label instructions before animals are admitted.
 - i. Virkon-S o Accelerated Hydrogen Peroxides (Accel, Intervention, or Rescue)
 - ii. Bleach (such as Clorox) at a ratio of 1:32, which is ½ cup (4 oz.) to one gallon of water. Do not add ammonia to bleach/water mixture
 - iii. Phenolic disinfectants (like Pinesol) for poultry equipment and coops
- d. Access to hand-cleansing facilities or hand-sanitizing methods shall be available near each building that houses animals.
- e. Bedding used by livestock, feed waste, shipping containers, and other animal associated waste shall be removed from the animal area and disposed of in a timely and responsible manner.
- f. An animal shall not be used as a prize at a carnival or a midway activity unless approved by the director.

PLEASE NOTE: These are the general rules of exhibition provided by the Michigan Department of Agriculture and Rural Development. The complete book of exhibition requirements, including specific requirements for each species, can be viewed and downloaded from the Michigan Department of Agriculture and Rural Development website at the following address link.

General 4-H Youth Rules & Guidelines

Introduction: The following are the MSU Extension 4-H Rules and Guidelines which regulate the Kalamazoo County 4-H Youth Showcase. Regarding these Rules and Guidelines, MSU Extension and Kalamazoo County 4-H reserves the final and absolute right to interpret said rules and regulations and to settle all matters, questions, and differences resulting from these Rules and Guidelines. MSU Extension and Kalamazoo County 4-H further reserves the right to amend, or to add to, or delete from these rules as it finds necessary. Updated Rules and Guidelines will be published each year, for that year, in the Kalamazoo County 4-H Fair Book (fair book).

ALL STILL AND ANIMAL PROJECT EXHIBITS MUST BE PRE-REGISTERED IN [FAIR ENTRY](#) BY JUNE 15, 2024.

Section 1 – General Exhibition Rules

1. The Kalamazoo County 4-H Showcase offers youth the ability to showcase to the county what they have learned throughout the programming year related to a variety of topics including livestock, agriculture and a variety of still projects. All animals and livestock shown, housed, or displayed shall receive care that is humane, healthy, and consistent with accepted practices.
2. 4-H Exhibitor Eligibility-Entry is open to all youth ages 5-19 by January 1st of the current year who are duly enrolled members of the MSU Extension, Kalamazoo County 4-H Youth Development Program. 4-H youth members must enroll with the Kalamazoo County Michigan State University Extension Club Office by April 1 of the current year.
3. 4-H members must have completed all necessary club and project requirements to be eligible to participate in the Kalamazoo County 4-H showcase.
4. 4-H youth entries must be projects that have been completed during the current programming year, except as noted in some department classes listed in this fair book.
5. Only one entry per 4-H exhibitor per class is allowed. Some exceptions are made in some of the Livestock departments. Please consult the individual guidelines for each project department.
6. Exhibitors must submit all exhibits to the superintendent overseeing the department in which the exhibit is registered and entered.
7. All still exhibits (including livestock notebooks and posters) are to be entered for judging from 9:00am-12:00pm Saturday, August 2, 2025, in the Youth Exhibit Area.
8. Ribbons will be awarded an A, B, or C ribbon for the classes listed unless otherwise specified.
9. Exhibits judged incomplete will not receive ribbons.
10. Only members earning an A (Blue) ribbon will be eligible for a purple (outstanding) ribbon or a lavender (meritorious) ribbon.
11. Any deviation from the check-in and check-out schedule needs to be approved by the appropriate 4-H Superintendent or MSU Extension 4-H staff.
12. 4-H sponsored trophies and awards are available to 4-H members only. All winners of 4-H awards, trophies, and members selling livestock must turn in completed “Thank You” notes that include a properly addressed and stamped envelope to their appropriate superintendent by noon on Saturday following the livestock auction.
13. Exhibitors are not permitted to sell articles or exhibits or place "For Sale" signs on exhibits during the fair.
14. After the arrival of livestock and articles for exhibit on the fairgrounds, MSU Extension staff and volunteers will use diligence and prudence to ensure the safety of livestock and articles entered for exhibition or display. However, under no circumstances will MSU Extension staff or volunteers be responsible for loss, injury or damage by fire, lightning, wind or by any other means, to livestock and articles on exhibition or display. MSU Extension and MSU Extension staff and volunteers shall be held harmless by the exhibitors and their families against all legal or other proceedings.
15. If an exhibitor disregards any of the rules or guidelines in this document, they forfeit all rights, and privileges without remedy.

16. If there is a conflict between these general rules and the specific species department rules outlined in each department's guidelines, the species department guidelines will take priority.
17. All exhibits, including still projects and livestock, shall reflect the care and concern that the State of Michigan, MSU Extension 4-H Program, and the Kalamazoo 4-H have for livestock, poultry, companion animals, and wildlife.
18. **Exhibit Deadlines:** (a) 4-H non animal still exhibits must be delivered to the fairgrounds between 9:00am and 12:00pm on Saturday, August 2, 2025; and (b) all livestock need to be on the fairgrounds according to the species show schedule.
19. **Exhibit Pick-up:** Exhibitors must leave all identification of owner and animal in the stall until the animal has been removed. Exhibits are to be picked up at the completion of the fair. Removal of exhibits prior to established times could result in an exhibitor's ability to show in the future. **MSU Extension staff will not be responsible for articles left after release time.**
20. MSU Extension staff reserves the right to reject any exhibit offered.
21. The Kalamazoo County Biosecurity Plan supersedes any of the rules and regulations found in this fair book. The Biosecurity Plan will be separate from this fair book and is subject to change at any time. The Biosecurity Plan will be posted on the MSU Extension website and available through the 4-H Office.

Section 2 - General Facility Rules

1. Golf carts are not allowed on the fairgrounds during the 2025 4-H showcase.
2. Dogs, except for service and leader dogs, are not permitted on the fairgrounds during fair hours. Dogs participating in the Dog show are permitted on the grounds but must remain in the show area. Dogs are allowed inside the campgrounds but must remain there throughout the duration of the fair.

Section 3 –Still Project Entries

1. Pre-registration for all entries must be made in the [Fair Entry](#) website by June 15, 2025. Entries will not be accepted after this date.
2. All entries must be made in the name of the 4-H youth member who created and will be exhibiting the project. Failure to observe this rule will disqualify the exhibit.
3. All exhibits must have been completed during the current programming year, except as noted in some department classes listed in the individual project's guidelines.
4. Only one entry per person per class is allowed.
5. **Exhibit Deadlines:** (a) 4-H non animal still exhibits must be delivered to the fairgrounds between 9:00am and 12:00pm on Saturday, August 2, 2025; and (b) all livestock need to be on the fairgrounds according to the species scheduled time.
6. **Still Exhibit Pick-up:** Exhibitors must leave all identification of owner and animal in the stall until the animal has been removed. Exhibits are to be picked up immediately following the master showmanship competition and the barn will remain open until 6:00PM. Removal of exhibits prior to established times could result in an exhibitor's ability to show in the future. **MSU Extension staff will not be responsible for articles left after release time.**
7. MSU Extension staff reserves the right to reject any exhibit offered.

Section 4 - Livestock, Horse, Companion Animals and Other Animal Guidelines

Entries

1. The Kalamazoo County 4-H offers youth the ability to showcase what they have learned throughout the programming year and for animal agriculture. All animals and livestock shown, housed, or displayed shall receive care that is humane, healthy, and consistent with accepted practices. Exhibits shall reflect the care and concern that the State of Michigan, MSU Extension 4-H Program, and the Kalamazoo 4-H have for livestock, poultry, companion animals, and wildlife.
2. Superintendents will be responsible for checking in each animal, at the designated time, prior to the animals entering the barns. Swine and horses must be vet checked before entering and checking in with superintendents.
 - a. Cattle, swine and goats must have the required and approved tags in the ears.
 - b. Market rabbits must have legible tattoos in their ears.
 - c. Animals not in compliance with all the requirements will not be allowed to unload and will be sent home.
3. All animal entries must meet the 2025 Michigan Department of Agriculture and Rural Development (MDARD) exhibition requirements including, but not limited to, (a) proper identification of animal exhibits; and (b) be free from any contagious, infectious, or communicable diseases. Exhibitors may find the guidelines on the [MDARD](#) website.

4. All equine entries (mini ponies, horses, and draft horses) must have an official current veterinary statement indicating a **NEGATIVE COGGINS TEST** as required by the State of Michigan. All equine exhibitors **MUST** turn in their Coggins report with their entry registration. Equine entries received without a negative Coggins test will not be accepted.
5. Market animals and exhibits are to be the personal property of the 4-H exhibitor's family and must have been raised or completed by the exhibitor.
6. The exhibitor must be the primary caregiver of the animal from possession date until the end of the fair.
7. Kalamazoo County 4-H prohibits market livestock exhibitors from entering the fair if the exhibitor enters the same individual animals at any other fair, prior to Kalamazoo County livestock shows, in the same calendar year. If an exhibitor violates this rule, the exhibitor will be prohibited from participating in the Kalamazoo County market livestock shows and sale the following calendar year.
8. Exhibitors may enter the number of animals as specified in the respective sections or classes; no more than one herd, flock, or pen in any one class, unless stated otherwise in the department rules.
9. Animals cannot be entered in more than one class except for group classes.
10. Livestock exhibitors are required to keep their exhibit areas neat and clean. Stalls must be cleaned down to the ground. Failure to do so could result in livestock being sent home and exclusion from selling in the 4-H Livestock Auction. Stalls will be checked for cleanliness by each department superintendent throughout the week.
11. Exhibitors are responsible for the proper care of their animals until they are removed from the fairground premises, following the closure of the fair. Youth are also responsible for cleaning out their stalls and helping with barn clean up following the fair. Youth who do not will forfeit a portion of their livestock auction check.

Auction

1. If an exhibitor chooses to sell at auction (Grand and Reserve Champions must sell at the Livestock Auction sale,) the animal becomes the property of the buyer at the time the auctioneer recognizes the buyer. However, the exhibitor is responsible for the proper care of the animal until it is removed from the fairgrounds at the end of the fair. For exceptions to this rule, consult the individual species department rules listed under each department in the fair book.
2. 4-H Champion and Reserve Champion market animals must sell through the Kalamazoo County 4-H Livestock Auction and do not count toward the total of eight sales that the youth are allowed to sell at the Kalamazoo County 4-H Livestock Auction.
3. 4-H exhibitors who will sell their livestock through the auction must be present to help set up the night before the auction and must be present to help clean up following the auction. Youth should also be present during the auction to help pass out water, help keep the auction area clean and talk to potential buyers.
4. All carcass entries that are placed may be sold in the auction, but the Grand and Reserve Champions **MUST** be sold through the Kalamazoo County 4-H Livestock Auction. All carcass entries sold through the auction must remain at Pease Packing, to complete the processing procedure, in order to be sold through the Kalamazoo County 4-H Livestock Auction.
5. A person who discovers, suspects, or has reason to believe that an animal is either affected by a reportable disease or contaminated with a toxic substance shall immediately report that fact, suspicion, or belief to the Michigan Department of Agriculture and Rural Development (daytime phone number is 1-800-292-3939, after hours is 1-517-373-0440).
6. ANY ANIMAL ENTERED IN ANY CLASS AT THE FAIR MAY BE SUBJECTED TO DRUG TESTING at the discretion of MSU Extension staff, Livestock Superintendent, and/or judge. The Fair's veterinarian/authorized representative may collect urine, blood, hair, tissue, and/or other test samples as needed. Disqualification will result in voiding of the placing(s) of the animal(s) in question, forfeiture of any and all ribbons/trophies/special awards earned with the animal(s), voiding of the sale(s) if the animal(s) has already been sold in the 4-H market livestock sale and disbarment of the exhibitor from exhibiting in open or 4-H classes at the Kalamazoo County Youth Fair for a period of three years. Other animals will not be moved up in placing.
7. The Kalamazoo County Biosecurity Plan supersedes any of the rules and regulations found in this fair book. The Biosecurity Plan will be separate from this fair book and is subject to change at any time. The Biosecurity Plan will be posted on the MSU Extension website and available through the 4-H Office.
8. All stalls must be cleaned before leaving at the conclusion of the fair. Youth are responsible for helping to clean the barn after the fair. Those who do not will forfeit a portion of their livestock auction checks to the Kalamazoo County 4-H Livestock Superintendent Association.

Section 5 – Judging

1. No later than June 1 of the current year, the department superintendents will secure competent judges to judge all said superintendent's department exhibits. Superintendents are not allowed to judge their own departments.
2. Still project judging allows youth to practice their interviewing skills. Parents, siblings and other non-exhibitors should not interfere with or answer questions for the youth who are being judged. If youth need accommodation for judging, please contact the MSU Extension office at least 2 weeks prior to the event.
3. Failure to respond promptly to the superintendent's call to enter the show ring forfeits the exhibitor's right to compete in that Section or Class.
4. No person will be permitted to interfere with the judge while he/she is performing his/her duty of examination. Harassment of a judge before, during, or after a show will not be tolerated.
5. The decision of the judge is final on all placings.

Section 6 – Appeals and Complaints Prior to Fair

1. Any exhibitor or parent may file a complaint with the MSU Extension Kalamazoo County 4-H Office regarding any of the following:
 - a. Conflict of interest of the judge
 - b. Disqualification of an exhibitor or exhibit
 - c. Exhibitor, group leader, or Superintendent behavior
 - d. Eligibility of an exhibit
2. The exhibitor or parent must contact the MSU Extension Kalamazoo County 4-H Program Coordinator to file a complaint. The coordinator will work to resolve the issue in a timely manner. If necessary, the coordinators will convene a meeting of the 4-H/Fair Superintendent Committee or may refer complaints to the appropriate council which includes the Livestock Association, Leader's Council, Horse Council, Dog Councils, for resolution.

Section 7 – Appeals and Complaints Following Fair

1. Any exhibitor may file a complaint with the MSU Extension Kalamazoo County 4-H Office regarding any of the following:
 - a. Conflict of interest of the judge
 - b. Disqualification of an exhibitor or exhibit
 - c. Exhibitor, MSU Extension 4-H volunteer, or Superintendent behavior
 - d. Eligibility of an exhibit
2. An exhibitor must file a formal written complaint with the Kalamazoo County 4-H Office no later than ten days following the Fair, with a \$10.00 protest fee to be retained by MSU Extension if the protest is not upheld. Forms are available at the 4-H Office.
3. The MSU Extension Kalamazoo County 4-H office will hold a hearing 30 days after the conclusion of the fair to review the protest and give all parties involved an opportunity to submit evidence.
4. The MSU Extension Kalamazoo County 4-H will provide a written ruling to all parties concerned within ten days following the hearing.
5. If the exhibitor is not satisfied with the outcome of the protest hearing, he or she may contact MDARD.

ADA Policy

The Kalamazoo County Expo Center and Fairgrounds is ADA compliant. MSU Extension will make all reasonable efforts to accommodate special need exhibitors. Please contact the Kalamazoo County 4-H office two weeks in advance if special accommodation is requested. The Kalamazoo County Expo Center and Fairgrounds allows ADA compliant motorized and non-motorized mobility devices for reasonable and equitable access by persons with a disability who require use of such mobility devices.

MSU Extension 4-H Program Emergency Medical Procedure

In case of an emergency, you must follow these three steps:

1. Call 911
2. Call/contact 4-H Program Coordinator(s).
3. Complete an MSU injury report within one hour, turn in the completed form to the 4-H Program Coordinator immediately. 4-H staff will be responsible for turning in a completed form to MSU within 24 hours of the injury.

4-H Schedule

MANDATORY 4-H EXHIBITOR MEETING

A pre-Fair mandatory exhibitor meeting will be held the evening of Thursday, July 31, 2025. Attendance is mandatory for all 4-H horse and livestock exhibitors.

Still Exhibits Entry

Saturday, August 2, 2025: Still exhibits will be entered and judged between 9:00am-12:00pm.

Agriculture	Cloverbud Projects	Mechanical Exhibits
Animal Science Exhibits	Club Reports	Natural Sciences
Arts and Crafts	Culinary Arts	Photography
All Animal Notebooks and Journals	Gardening/Floriculture	Sports/Leisure Activities
Clothing, Crochet and Knitting	Home Economics	

4-H Animal Arrival

- Livestock are to arrive at the fairgrounds on Sunday, August 3, 2025, between 4:00 pm and 7:00 pm or Monday morning between 8:00 am and 12:00 pm. Swine will be vet checked upon arrival.
- Swine and poultry will be weighed as they are unloaded. All other market livestock will be weighed Monday between 8am and 2pm.
- Horses are to arrive Sunday, August 3, 2025, between 12:00pm-3:00pm and will be vet checked upon arrival.

4-H Livestock Sale

4-H members will be allowed eight pens or individual animal sales during the 2025 Kalamazoo County 4-H Livestock Auction. Grand and Reserve Champion pens/animals do not count toward the 8 sales. The Kalamazoo 4-H Livestock Sale is to be held on Thursday, August 7, 2025, at 10:00am with small animals (goats, poultry, rabbits) followed by large animals (sheep, beef/dairy, beef/feeder calves, and swine) at 1:00pm. Any exhibitor with market animals may withdraw his/her animal from the sale no later than noon on the Wednesday before the sale. Special arrangements for the withdrawal, after that time must be made with the Kalamazoo County 4-H Office. A six percent (3 percent for beef only) commission will be deducted from the bid price of each sale. These funds will be placed in an account administered by the 4-H Livestock Superintendents Association. This account will provide for the cost of doing auction sale business, uncollected buyers accounts, and educational opportunities for livestock project youth. Project Check-Off fees will be deducted where required.

Still Exhibits Release

Still Exhibits may not be removed from display until the completion of the 4-H Master Showmanship Competition. The still project barn will be closed during the competition and will reopen at 4:00PM and will remain open until 5:30PM. Removal of exhibits prior to established times could result in an exhibitor's ability to show in the future. **MSU Extension staff will not be responsible for articles left after release time.**

DEPARTMENT 4 - YOUTH BEEF & MARKET DAIRY STEER

BEEF CARCASS

Fair Superintendents - Kevin Rose (269) 209-0938

For complete guidelines, go to [Carcass Project Guidelines](#). This project is open to all beef project exhibitors except Cloverbuds. Exhibitors may enter one animal in either the Beef Market or Dairy Steer Carcass class, but not both. Carcass judging takes place on two days: attendance is mandatory on both Monday, July 28, 2025, at 6:00pm, and Wednesday, July 30, 2025, at 10:00am, in order to be considered for placing. The events on both days will take place at Pease Packing.

Animals entered in the carcass class are not required to be clipped or trained. Beef carcass entries must have the same identification required by the beef superintendent for market beef projects shown live at the fair. No day of show entries will be allowed.

All beef carcass entries which are placed may be sold in the auction, but the Grand and Reserve Champions MUST be sold in the auction. Processing costs of other entries, not sold through the auction, will be the responsibility of the exhibitor. Carcasses will be standard cut unless you have a pre-arranged buyer; then a cut sheet must be at Pease Packing by Monday, July 28, 2025, or a standard cut will be used. Carcasses of all entries to be sold at auction will remain at Pease Packing until after their purchase at the auction. Slaughter and cutting costs of disqualified animals are the responsibility of the exhibitor.

All 4-H participants in this carcass class must also show at least one live animal in the same species at the current year's fair. Exceptions to this rule of showing a live animal at the fair may be made for those exhibitors whose animals may cause safety problems at the fair, provided the exhibitor has met the carcass attendance requirements. Exhibitors must consult with and get approval for exceptions from both the live animal and carcass superintendents a week prior to the carcass contest. Though the live animal shown must be the same species, it is not required to be the same class. A participant taking a dairy steer to fair may have either a dairy or beef steer carcass entry. A participant taking a beef steer to fair may have either beef or dairy steer carcass entry.

All carcass participants are required to take the written/oral educational evaluation portion for their respective species on Wednesday, July 30, 2025.

GOATS

Fair Superintendent – Crystal Sattler (269) 492-8750, Bethany Stanton (231) 233-3988

For complete guidelines, go to [Small Animal Guidelines](#). Goats are to be free of horns except where a registered goat's breed standards specify otherwise; scurs must be less than 2 inches. If a market goat's scurs exceed 2 inches you must check with the Superintendent before unloading your animal for show. No bucks will be allowed. Bucklings who still require their dam may be present at the fair but cannot show. Animals will be health checked before being allowed into the barn.

Goats, with horns, which are not a part of the breed standard, may be brought to the fair as companions. These animals will not be allowed to show. Documentation for companion animals is the same as documenta

In compliance with the Michigan Department of Agriculture & Rural Development, all goats must be identified in one of the following ways: official USDA scrapie program identification tag (required for market goats) or tattoo. Microchips are not allowed as the sole identification. <https://www.michigan.gov/mdard/animals/id-movement/goats#Exhibition>

The exhibitor must be on hand to show his/her goat. All goats must be legally owned or properly leased by the exhibitor and have been in his/her possession by May 1 and tagged or tattooed by May preceding the Fair. Kids born on the exhibitor's property after May 1, must be tagged or tattooed prior to fair check-in and all paperwork and pictures provided to the superintendent before the mandatory livestock meeting prior to fair. Animals will be shown in the breed class which they most closely resemble. A crossbreed of dairy and meat must be shown in a meat class. First-eighth place ribbons will be awarded.

All 4-H Goat Project youth exhibitors must enter the appropriate showmanship class for their age group. Cloverbud exhibitors (5–7-year-olds) should sign up under Department 90 and will participate in non- competitive classes and will NOT sell in the auction.

Exhibitors do not enter Champion/Reserve Champion Classes, these entries are determined at judging. All others enter classes are listed below.

The order of the show is as follows but is subject to change at the superintendent's discretion. Show order will be posted and communicated by the first day of fair:

DEPARTMENT 10 – YOUTH SWINE

SWINE CARCASS

4-H Superintendents - Kevin Rose (269) 209-0938 & Cindy Rose (269) 317-3462

For complete guidelines, go to [Livestock- Large Animal - Kalamazoo County](#).. This project is open to all swine project exhibitors except Cloverbuds. Exhibitors may enter one hog. Carcass judging takes place on two days: attendance is mandatory on both Monday, July 28, 2025, at 6:00pm, and Wednesday, July 30, 2025, at 10:00am, in order to be considered for placing. The events on both days will take place at Pease Packing.

Animals entered in the carcass class are not required to be clipped or trained, but hogs must be free of mud. Any identification required for market hog projects is required for carcass entries. No day of show entries will be allowed.

All swine carcass entries which are placed may be sold in the auction, but the Grand and Reserve Champions MUST be sold in the auction. Processing costs of other entries, not sold at the auction, will be the responsibility of the exhibitor. Carcasses will be standard cut unless you have a pre-arranged buyer; then a cut sheet must be at Pease Packing by Monday, July 28, or a standard cut will be used. Carcasses of all entries to be sold at auction will remain at Pease Packing until after their purchase at the auction. Slaughter and cutting costs of disqualified animals are the responsibility of the exhibitor.

All 4-H participants in this carcass class must also show at least one live animal in the same species at the current year's fair. Exceptions to this rule of showing a live animal at the fair may be made for those exhibitors whose animals may cause safety problems at the fair, provided the exhibitor has met the carcass attendance requirements. Exhibitors must consult with and get approval for exceptions from both the live animal and carcass superintendents a week prior to the carcass contest.

All carcass participants are required to take the written/oral educational evaluation portion for their respective species on Wednesday, July 30, 2025.

SWINE

4-H Superintendent - Pamela Acker (517-930-1297) & TJ Gibson (269-903-9991)

For complete guidelines, go to [Livestock- Large Animal - Kalamazoo County](#). Swine exhibitors must be 8 years of age by January 1 of the current year. All exhibitors are allowed to show 2 market hogs. Youth 16 years old by January 1 of the current year, who exhibited in the swine project at the previous Kalamazoo County Fair may be eligible to exhibit up to 4 individual market animals if space is available. Space will be determined by the superintendent and a lottery system will be used to decide which exhibitors may exhibit four market animals. This will be determined in July after the fair enrollment is complete. Please consider this when purchasing pigs in the spring. Quality assurance program requirements (YQCA) must be completed annually by every swine exhibitor.

The Kalamazoo County Fair swine department is a terminal show/sale. All swine entered are required to be slaughtered at Pease Packing or transferred to a resale facility approved by the Kalamazoo County Fair Council and Kalamazoo County 4-H Livestock Association. The Kalamazoo County Livestock Association will exclusively transport all swine entries at the conclusion of the fair to Pease Packing and the market facilities. After slaughter, processing can be completed per the choice of the buyer. The Kalamazoo County 4-H livestock association may choose to ship swine to the predetermined locations on any date/time during the fair for public or animal health/safety reasons.

Each project animal exhibited must be in the possession of the exhibitor by May 1 of the current year. Each exhibitor may identify up to five (5) project animals. Each project animal identification must be on record with the swine superintendent no later than May 1st. Tagging must be completed by May 1st. Animals may be market barrows or gilts. Gilts may be shown provided they are sold in the livestock sale. Any market hogs weighing less than 200 lbs. are ineligible to be shown and will be sold at the auction as roasters. Roaster auction sales are not eligible for resale. Shipment of all pigs will be handled exclusively by the Kalamazoo County 4-H Livestock Association. First-tenth place ribbons will be given. All market hogs that come to the Kalamazoo County Fair must have been given the Swine Influenza vaccine plus booster prior to July 15th. Swine that have been fed Ractopamine (Paylean, Explode, XXL, etc) will NOT be allowed at the fair. Each exhibitor must verify their pigs have not been fed Ractopamine.

Barn tear-down will take place Saturday night following the fair after all pigs are removed. Nothing may be removed from the barn prior to all swine being loaded out unless approved by the superintendent. All exhibitors or a household member must be present and stay until the barn is packed up. If this does not take place, a fee of 10% of the 4-H participant's swine sale check will be taken out. This fee will be put into the 4-H swine project's account. All exhibitors or household members must check in and out with the swine superintendent. If you cannot tear down for religious reasons, you need to be excused by the superintendent by the last swine project meeting before the fair. They will give you an alternate assignment.

Section B - Market Hogs

Market hogs will be weighed on Monday from 9:00AM – 12:00PM to determine weight classes for judging and official weight for the 4-H Livestock Auction. Pigs must be clean for weigh-in. Muddy pigs will not be accepted. Market Hogs will be divided into weight classes for gilts and barrows except for hogs weighing less than 200 lbs.

DEPARTMENT 16 - YOUTH HORSE

Horse & Pony

Horse Council President – Kim Berggren (269) 665-0334

All youth who plan to show in this division must be enrolled with the County Superintendent in addition to the Kalamazoo County MSU Extension 4-H Department by November 1st if they are a returning member and by April 1st if they are a new member. Project animals must be identified by May 1st along with up to 2 additional “back-up” animals, if available. The age of youth is as of January 1st of the current year.

All horses and ponies must be vet-checked at the Lamont Street entrance and have proof of a negative Coggins test before entering the fairgrounds. Classes may be combined, or split, if necessary. 4-H Horse Leaders sponsor Championship trophies and thank-you notes should be addressed to them at c/o MSU Extension. First-tenth place ribbons will be given. Complete guidelines available at [Horse and Pony - Kalamazoo County](#).

Release time: If horse is removed from Fair before stated release time, rider will forfeit 4-H Special and State Horse Show Points. State 4-H Horse Show horses are exempt if they go to State 4-H Show.

Showmanship is a mandatory class for all Kalamazoo County Youth Horse Project exhibitors. Exhibitors must choose between either English or Western. In addition, youth must choose between English and Western disciplines for Trail, and between English riding pattern and Western riding patterns. Those entering a Novice class may only take novice classes (Equitation, Pleasure, and Trail).

Horse Leader approval is required for Buckaroo events. Cloverbuds (aka Buckaroo) must be 5-7 years of age as of January 1st of the current year and sign up under the Cloverbud Section. Cloverbuds will participate in non-competitive classes, sharing a horse with another 4-H Horse Project member. Ages 8-19 participate as full members in the horse project with leader approval. Leader discretion for level of participation with animals occurs for all members.

Kalamazoo County Horse Leaders require approved headgear in all of the Gymkhana events as well as English classes, both flat and jumping and all bareback classes

All other horse class entry forms for the Kalamazoo County 4-H members are available from your Project Leaders.

The horse project costume class is a fun class held for youth to participate in.

- Costume class is based on creativity and originality.
- Youth may dress up the horse by itself or the youth and the horse may have matching costumes.
- The purpose is to create a costume for the animal. Participants usually dress up also. However, a costume should not adopt someone else's culture, skin color, customs, traditions, speech, or way of being.

Exhibitors must have their cats/kittens in possession by June 1st of the current year. All cats/kittens must be free of disease including fleas, lice and ear mites. No obviously pregnant cats or kittens less than 4 months of age are eligible to show at the fair. Cats should have their nails clipped. All cats shown at the fair must have a veterinarian current certificate stating the cat has had the following inoculations: rabies, distemper, Calais & Rhinotrack (Feline 3 in 1). It is highly recommended that cats also have the Feline Leukemia and Pneumatic inoculations.

All cats are to be caged or in a cat carrier. Cats are to be brought to the fair on the day of cat show and kept under control at all times. When out of their cage/cat carrier cats must be collared/harnessed and leashed

Exhibitors may enter more than one cat, entering no more than 2 cats in each class. Each exhibitor is required to enter a science project (notebook, poster, 3-D exhibit or video) on Still Exhibit Day.

DEPARTMENT 73 – YOUTH DEMONSTRATIONS

Complete Guidelines

All other demonstrations: public speaking, etc. will be judged on TBD Day and time. Members may compete in two demonstrations or performances as long as they are not in the same class (i.e. a demonstration plus a speech, a team plus an individual demonstration, a speech plus a performance, a solo plus a duet, or two solo performances on different instruments). There will be a limit on all team demonstrations. When registering for a team (limit of 4 members) or group demonstrations (more than 4 members) each youth will register for the class and then communicate with the performance/demonstration project leader who is on the team or in the group. Performances and demonstrations should not last more than five minutes.
