Why Keep Records?

Keeping Records on your project can be interesting and fun – not dull or boring.

Good records will:

- Help you learn about your project and all that goes into it.
- Help you plan future projects.
- Teaches you safe practices and checks and balances.
- Improves your management practices.
- Gives you a record of your project activities.

Keep this record as part of your Person 4-H Records. This information is helpful for you to plan future year's projects, as well as if you ever apply for 4-H awards or a 4-H Scholarship.

Remember – Records are not better than what YOU put into them!

I understand that this is a COMPLETED Archery Project Record Book as required.
