Thank you to our generous sponsors for their contributions to the 2019 Tree Fruit Management School. Thanks also to the Michigan State University (MSU) Tree Fruit Team, the many in-state and invited speakers, and collaborators for their effort to coordinate this topnotch program. Last, but certainly not least, the participants of this school are invaluable to the mission of MSU Extension and we truly appreciate their support.

Michigan State University Extension helps people improve their lives through an educational process that applies knowledge to critical issues, needs and opportunities. MSU Extension programs and material are open to all without regard to race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status, or veteran status.
