

# COOL GADGETS: COOLBOTS, INKBIRDS, AND OTHER CONTROLS OH MY!

WHAT ARE THESE GADGETS AND HOW CAN THEY HELP MY FARM?

Learn about the benefits of these tools and how they can help you extend your season and extend your sales!

Join us: Tuesday, September 9, 2025 at NOON via zoom  
with Erik Heimark, Renewing the Countryside's Farm Business  
Management Specialist.

Do you have the planting, harvesting and marketing all handled, but need to figure out what tools could help you get a good night's sleep during these long summer days? Have you ever wondered what's the most bang for your buck when purchasing new equipment for your farm? Then this webinar is for you!
