13. Please submit one essay (***Attachment A*** on the next page of this application) explaining why you qualify for a scholarship.

14. Explain the significance of a scholarship to your academic progress. Attach additional page(s) if necessary.

Please note the following stipulations regarding acceptance of a Department of Plant, Soil and Microbial Sciences Scholarship:

- 1) *The student must notify the Department of Plant, Soil and Microbial Sciences in writing if enrollment at MSU is disrupted. The Scholarship Committee will then decide whether to reinstate the scholarship upon re-enrollment.*
- 2) *In the event the student changes from Crop and Soil Sciences to a new major during a given semester in which a scholarship is issued, the scholarship will discontinue and the student must repay the value of the scholarship for that semester to the Department of Plant, Soil and Microbial Sciences.*
- 3) *Further, for certain scholarships, **the recipient agrees to send a letter of thanks to the donor.***
