

The Michigan Dairy Memorial & Scholarship Foundation (MDMSF) is one of the largest scholarship programs in the MSU College of Agriculture and Natural Resources. Thanks to generous donors, MDMSF provides scholarships annually to worthy MSU students with plans to advance the future of the dairy industry. Funding for the MDMSF scholarships comes from generous donations from individuals, firms and corporations wishing to honor members of the dairy industry who have performed distinguished services for Michigan's dairy industry.

Application Process

Complete the scholarship application online by scanning the QR code below or visiting <https://bit.ly/MDMSF2023>.
