

Montreux Golf & Country Club ***Internship:***

Montreux Golf and Country Club is a Jack Nicklaus Signature golf course nestled in the Sierra Nevada mountains between Reno and Lake Tahoe. Previous host of the Barracuda championship and Reno-Tahoe Open PGA Tournaments for 22 years, Montreux is both very scenic and challenging and was named by Nicklaus as one of his top 5 designs. The course sits at 6000' elevation and has bent/poa greens, tees and fairways with blue/rye roughs. Montreux is an ideal place to grow your resume and gain valuable knowledge in the field of turfgrass management.

This year Montreux we'll be hosting NCAA West Regionals Golf tournament May 12th-14th 2025. Interns also have the opportunity to volunteer at Edgewood Golf Course located on the shore of Lake Tahoe where they host the American Century Celebrity Golf tournament televised on NBC as well as the PGA tour event Barracuda Championship now hosted in Truckee California.

Montreux's ideal location between Reno and Lake Tahoe provides all the amenities of a small city with all the outdoor activities imaginable including, Skiing, hiking, mountain biking, boating, fly fishing, and more. Interns will receive a competitive wage, housing, golf, uniforms, lunch, and numerous opportunities for overtime. Montreux offers both three and six month internships so that interns may be involved in spring and/or fall aerification practices.

Interns will be an integral part of the management of the golf course, duties will include: Managing the chemical and fertilizer applications to greens, tees, fairways, roughs, and lakes; course set-up; assist with renovations of tees, greens, and bunkers; aid in management of personnel and small groups; water management, etc.

Requirements & Benefits:

Must be enrolled in school seeking a Turfgrass management, horticulture, agronomy or other related degree. Job benefits are we offer our interns Golf, Housing, Meals, Immense knowledge and experience! Salary is \$20.00 DOE for interns.
